I am very proud to be a part of Sayre Junior College and live in this community. I know that we would not be educators if we were not interested in people. I hope with this in mind the administration and faculty are doing the best job possible of serving the students of this community and the surrounding area.

If I can be a help to you in any way during your stay at Sayre College please come by and see me.

With the federal assistance, students' loans, and scholarship programs that exist today, any student desiring a college education can find a way to complete a degree.

All of us at Sayre College welcome you, and we realize that our student body can be our best source of public relations. I hope that in the years to come we can all work and grow together.

Harry Patterson

Harry Patterson
President

Students are the most important asset any society can have in making it strong. Our students are the most important part of our institution.

Their educational endeavors will enhance our society and enrich their life style by improving their capability to secure meaningful employment. It is our wish that the students in this annual will have profited from their experiences at Sayre Junior College.

Library

The library has many resource materials which are available for the students to use. These materials cover all areas of study.

Student Senate

The Student Senate is an organized group of full time students elected by the student body to represent them. The purpose of the student senate is to promote activities such as dances, watermelon feeds and suppers.

The student senate sincerely appreciates the full cooperation of the SJC faculty and administration for their help and are very thankful to them. We would like to thank Mr. Jurgensen for his time and help as student senate advisor.

Eddie Holland
Student Senate President

STUDENT SENATE OFFICERS: *Top Row:* Rick Williams; Kent Brown; Kenneth Hill; Joe Jordan; Tom Jurgensen, Advisor; Bobby Waters; *Bottom Row:* Tom Taylor; Eddie Holland, President; Steve McCormack; Twyla Hines; *Not Pictured:* Janet Tipton, Vice-President.

Alpha Sigma Omega

The Alpha Sigma Omega Student Society was organized by former health career students so that succeeding students would have a foundation upon which they could build.

Since its founding, the club has been successful in upgrading the qualities of each student entering into a health careers profession. This success evolved from the fellowship, cooperation, and understanding between students, faculty, and citizens involved with the Sayre Junior College Health Careers related programs.

The need for qualified personnel with health career related degrees is eminent, due to the growing population of our nation, and Sayre Junior College has been qualifying students to meet that need.

Education is a thirst that can never be quenched; therefore, let each and every one of us strive to keep up with new developments in our chosen field so that our careers might be further enhanced.

Best wishes in your future endeavors.

Joe Duerr
President
Alpha Sigma Omega

Business

The business department of S.J.C. offers its students a variety of degrees. The secretarial oriented person has a choice of a one-year or a two-year associate of applied science degree. Both degrees provide the students with training in electronic machines, magnetic keyboards, transcribing units, and electric typewriters preparing them to function successfully in any office situation.

Upon completion of these degrees some students will enter the work force, while others will transfer to four-year colleges and continue work toward a baccalaureate degree program. By preparing today for tomorrow's business needs, students are insuring for themselves a place in the competitive business world.

Baptist Student Union

Jesus said, "In me ye are complete and I came that you may have life and life more abundantly." Jesus teaches us how to deal successfully with fear, hate, anxiety, and the frustrations of life and become mentally balanced and stable in a fast changing world.

We are put through these difficulties for the main purpose of gaining the insight of God's tender hand of love and care. The BSU is an extension of that love.

Each year the annual staff chooses two students whom they feel best represent the student body.

These students are well rounded individuals, take active parts in campus activities and organizations, show outstanding academic achievements and are well thought of by the student body.

The 1978 Annual Favorites are Joe Duerr and Judy Scott. Both are MLT majors. Judy is from Sayre and Joe is from Elk City.

Left to Right: Kathy Parman; Jeana White, Editor; Mrs. Bohannon, Advisor; Diane Seitter. Not Pictured: Sue Williams, Rick Williams, Brenda Neely.

The annual staff of 1978 has tried to put together an annual that will long serve as a memory of the good times and hard work that you, each student, have been associated with during the past year at Sayre Junior College. May you look back in years to come and remember your days here at SJC.

One of the many services provided for the student body at SJC is the publication of the college newspaper **CAMPUS CLATTER**. It is distributed monthly free to the students. The paper also appears along with the Sayre **JOURNAL**, so all the regular **JOURNAL** subscribers have access to the college news. In addition, the paper is mailed to all area high schools, state colleges, hospitals, clinics and independent newspapers. Serving as technical consultant is Chuck Bacon. Lynda Williams is typist. Faculty advisor is Judy Nicholas.
